## NOTES FROM THE SELECTMEN

High on the Selectmen's "to do" list, this past year has been the job of reevaluating the plan for renovating and expanding the Town's Safety Services Building. The message we heard following last year's town meeting – from citizens and Town Employees alike – was that the scale and cost of the original plan were unnecessarily ambitious and had come before the legislative body too quickly for due deliberation and discourse. Accordingly, we returned to the drawing board and came up with a scaled-down project that at the same time meets the physical needs and safety requirements of the police and fire departments and the rescue squad, and we adopted a more proactive information program in an effort to heighten awareness of this vital issue on its second time around.

The town's prudential and administrative affairs were, as you would expect, always on our minds. Pursuant to our duty in the prudential arena, we instituted quarterly budget reviews with department heads in order more effectively to monitor expenditures, and we regularly consulted the newly-activated Capital Improvement Plan committee – it had been authorized at town meeting in 2003 – in an effort to maintain and project stability in that sector of the annual operating budget. Regarding administration, town policies represent an ongoing goal. Town sexton Jeff Phillips crafted guidelines for cemetery visitors, road agent Scott Knowlton formulated our first snow removal policy, and the select board itself is working on policies concerning hiring procedures and employee rights. Though largely invisible, these activities aim seriously to ensure an impartial, uniform approach in overseeing the town's business, its personnel, and the valued services they so ably provide.

More visible would be the Franconia Life Squad's closely analyzed transport proposal, whereby they would not only respond to persons in need but would transport them to hospital when necessary, thus raising the professionalism of the department – and enhancing its recruitment efforts – while also enabling it to achieve financial self-sufficiency. Visible, too, will be the Recreation Program's plans to level and fully groom the Dow Strip – to expand both warm-up and practice space – and to replace the aging playground equipment now there. For the latter, director Kris Germain has already secured a matching grant, an effort for which she is here lauded. And the beat goes on, for you've surely noticed our new street signs and our highway improvements, not to mention the trim appearance of our buildings and grounds or the welcoming demeanor of our administrative staff at Town Hall. So, for contributions visible and invisible alike, the selectmen are genuinely grateful to our Franconia town employees – they sure do everything they can to help us look good.

ARTICLE 2: To see if the town will vote to raise and appropriate the sum of \$650,000.00 (gross budget) for the addition and equipping of the Safety Services building, and to authorize the issuance of not more than \$453,000.00 of notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize

the selectmen to issue and negotiate such notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$197,000.00 from the Safety Services Facilities Improvement Expendable Trust Fund created for this purpose. The selectmen recommend this appropriation. (2/3-ballot vote required).

The article was read moved and seconded. Ken Mosedale spoke to the article giving background information on the committee that was formed to address this article. Jim Hamblin and Bill Campbell spoke about the committee findings and the new building proposal. Mark Montminy, Chief of Police, Roger O'Dell, Chief of Fire, and Dean Wright, Life Squad, addressed the article stating the needs of each department.

There was a recess at 8:00 p.m. to re-open the polls. They remained open until 8:10 p.m., when all who wished to vote for the election of officers had voted. Polls were then closed and the meeting resumed.

After much discussion, the article was called to a vote. After those assembled had voted, the meeting resumed with the polls remaining open for an hour. After the hour the votes were counted and the result was:

Article 2 did not pass because it required a 2/3 vote.

**ARTICLE 3:** To see if the town will vote to establish a Town Budget Committee in accordance with RSA 32:14-24. Said budget committee to consist of four (4) at large members, and these members shall be elected by the town. (By petition) (Majority vote by ballot required).

David Schaffer motioned to delete "Said budget committee to consist of four (4) at large members, and these member shall be elected by the town". The amendment was motioned and seconded and passed by voice vote.

The article was reread, motioned and seconded. Ron Taksar spoke to the article. There was a motion and a second to table the article.

Yes - 104      No - 26

The article was tabled with more than 2/3 vote.

**ARTICLE 4:** To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of same, as set forth in the following budget:

The article was read, moved and seconded. Ken Mosedale spoke to the article and indicated that the overall the budget is up 5.3% from last year. There was a general discussion with one question from the floor regarding Patriotic Purposes. Sally Small explained that the \$1,000.00 for Patriotic Purposes was for the Fourth of July parade.

There being no further discussion, the article was called to a vote. Article 4 passed unanimously by voice vote.

**ARTICLE 5:** To see if the town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000.00) to be added to the Police Cruiser Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. This is for replacement of an existing police cruiser in 2005.

There being no further discussion, the article was called to a vote. Article 5 passed unanimously by voice vote.

**ARTICLE 6:** To see if the town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to be added to the Life Squad Van Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. The monies are for the scheduled purchase of a Life Squad van in 2007.

There being no further discussion, the article was called to a vote. Article 6 passed unanimously by voice vote.

**ARTICLE 7:** To see if the town will vote to raise and appropriate the sum of seven thousand dollars (\$7,000.00) to be added to the Town Buildings Vehicle Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. The monies are for the existing truck to be replaced in 2005.

There being no further discussion, the article was called to a vote. Article 7 passed unanimously by voice vote.

**ARTICLE 8:** To see if the town will vote to raise and appropriate the sum of four thousand dollars (\$4,000.00) to be added to the Legal Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. The monies are being raised to replace what was expended in 2003.

There being no further discussion, the article was called to a vote. Article 8 passed unanimously by voice vote.

**ARTICLE 9:** To see if the town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be added to the Reassessment Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. The monies are to be put toward the reassessment that is scheduled in three years.

There being no further discussion, the article was called to a vote. Article 9 passed unanimously by voice vote.

**ARTICLE 10:** To see if the town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be added to the Sidewalk Improvement Expendable Trust Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Ron Taksar spoke to the article. He highlighted the sidewalks that have been improved and stated this would be for continued improvement in 2007.

There being no further discussion, the article was called to a vote. Article 10 passed unanimously by voice vote.

**ARTICLE 11:** To see if the town will vote to raise and appropriate the sum of one hundred two thousand dollars (\$102,000.00) to be added to the Highway Improvement Expendable Trust Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Ron Taksar spoke to the article. The monies are for the road improvements that are beyond the scope of the highway department, including paving, that are planned for this year.

There being no further discussion, the article was called to a vote. Article 11 passed by voice vote. (1-No)

**ARTICLE 12:** To see if the town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the Cemetery Restoration Expendable Trust fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. This is for the hiring of a professional person to help with the restoration of the graves in the Willow Cemetery.

There being no further discussion, the article was called to a vote. Article 12 passed unanimously by voice vote.

**ARTICLE 13:** To see if the town will vote to raise and appropriate the sum of two thousand dollars (\$2,000.00) to be added to the Franconia Heritage Museum Maintenance Expendable Trust Fund previously established. The Selectmen recommend this appropriation.

The article was read, motioned and seconded. Sally Small spoke to the article. The town owns the Museum building and this would support building maintenance.

There being no further discussion, the article was called to a vote. Article 13 passed unanimously by voice vote.

**ARTICLE 14:** To see if the town will vote to appropriate the sum of forty-six thousand dollars (\$46,000.00) to purchase a new Highway Department Truck and to authorize the withdrawal of thirty-three thousand dollars (\$33,000.00) from the Highway Truck Capital Reserve Fund created for that purpose. The balance of thirteen thousand dollars (\$13,000.00) will come from trading in 1-ton highway truck that is being replaced. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Scott Knowlton spoke to the article. The 1999 truck is in need of replacement.

A motion to strike “one ton” and replace with “the” was moved, seconded and passed unanimously by voice vote.

There being no further discussion, the article was called to a vote. Article 14 passed unanimously by voice vote.

**ARTICLE 15:** To see if the town will vote to raise and appropriate the sum of three thousand eight hundred dollars (\$3,800.00) to replace all the town road signs with reflective signs to come into compliance with Federal 911 regulations. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Ramesh Dave spoke to the article. Signs are required to have street names that are reflective and standardized. Joel Peabody suggested adding glass reflective beads to the signs instead of replacing. Ramesh spoke about standardization. Chief Montminy replied to questions of what will happen if the town does not comply. It is possible to lose federal money. David Schaffer suggested passing the article with the agreement to look into this further.

There being no further discussion, the article was called to a vote. Article 15 passed unanimously by voice vote.

**ARTICLE 16:** To see if the town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to do maintenance in and around the Highway Garage and Transfer Station to come into compliance with Department of Environmental Services pollution control specifications. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Ron Taksar spoke to the article. This item is not included in the budget because it is a one-time cost. The work is needed to comply with the EPA Stormwater Pollution Prevention.

There being no further discussion, the article was called to a vote. Article 16 passed unanimously by voice vote.

**ARTICLE 17:** To see if the town will vote transfer two thousand dollars (\$2,000.00) from the Recreation Committee’s line item budget to the Rink Surface Maintenance Fund previously established. The Selectmen recommend this transfer of funds.

The article was read, motioned and seconded. Sally Small spoke to the article. The money has already been raised. This is to be transferred to the maintenance fund for the re-paving of the rink scheduled in a few years. There was a suggestion to level the rink as the water tends to pool up on one side.

There being no further discussion, the article was called to a vote. Article 17 passed unanimously by voice vote.

**ARTICLE 18:** To see if the town will vote to raise and appropriate the sum of five thousand nine hundred and fifty dollars (\$5,950.00) to have the Town tax maps digitized. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Ken Mosedale spoke to the article. This computerized version would make it easier for all to retrieve information. This is a one-time fee and the program can be used with existing appraisal programs.

There being no further discussion, the article was called to a vote. Article 18 passed unanimously by voice vote.

**ARTICLE 19:** To see if the town will vote to appropriate the sum of two hundred-fourteen thousand six hundred sixty-eight dollars (\$214,668.00) for the purpose of solid waste disposal and to raise forty-five thousand thirty-five dollars (\$49,114.00) from taxation and to expand eight thousand dollars (\$8,000.00) from the Transfer Station/Recycling Center Special Revenue Fund surplus for this purpose. Additional funding for this appropriation will come from the Town of Sugar Hill (\$29,654.00), the Town of Easton (\$13,900.00), PAYT Fees (\$78,000.00), Special Handling Fees (\$21,000.00), Recycled Material (\$14,000.00) and Waste Oil Grant (\$1,000.00). The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. The amount actually being raised by Franconia is \$49,114.00. The rest of the money will come from bags, fees, recycled material, Sugar Hill, Easton and a State grant.

There was a motion for amendment. The text “forty-five thousand thirty-five dollars” should read “forty-nine thousand one hundred and fourteen dollars”. The amendment was motioned, seconded and moved.

There being no further discussion, the article as amended was called to a vote. Article 19 passed unanimously by voice vote.

**ARTICLE 20:** To see if the town will vote to raise and appropriate the sum of fifty-nine thousand six hundred seventeen dollars (\$59,617.00) for the purpose of operating the Abbie Greenleaf Library and to transfer this amount to the Library Trustees for their use as they see fit. The Selectmen recommend this appropriation.

The article was read, motioned and seconded. Jane Cloran spoke to the article. The \$3,100.00 increase is for additional staff so that 2 people are on duty for safety reasons.

There being no further discussion, the article was called to a vote. Article 20 passed unanimously by voice vote.

**ARTICLE 21:** To see if the town will vote to raise and appropriate the sum of two hundred fifty dollars (\$250.00) for the North Country YMCA to support services that reach more than 1800 families and individuals throughout the North Country by this chartered non-profit association. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. Every town in the North Country is asked for this money. In the past the YMCA used the Town building for aerobics in lieu of money. They are no longer using the building. If approved this would appear as a line item in the budget next year.

There being no further discussion, the article was called to a vote. Article 21 passed unanimously by voice vote.

**ARTICLE 22:** To see if the town will vote to raise and appropriate the sum of three hundred forty-six dollars (\$346.00) for the American Red Cross to support services provided by their chapter to the residents of Franconia. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. Sally Small spoke to the article. Similar situation as the YMCA. This would also appear as a line item next year.

There being no further discussion, the article was called to vote. Article 22 passed unanimously by voice vote.

**ARTICLE 23:** To see if the town will vote to raise and appropriate the sum of one thousand five hundred (\$1,500.00) for the Franconia Children's Center to be used for general operating expenses. The Selectmen recommend this appropriation.

The article was read, motioned, and seconded. David Weed spoke to the article. David highlighted the various programs and their budget.

There being no further discussion, the article was called to a vote. Article 23 passed unanimously by voice vote.

**ARTICLE 24:** To see if the town shall adopt an Exemption for the Disabled under the provisions of RSA 72:37-b as follows: the exemption from assessed value for qualified taxpayers shall be \$15,000.00. To qualify, the person must be eligible under Title II or Title XVI of the Federal Social Security Act, must occupy the property as his principle place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least 5 years, had in the calendar year preceding April 1<sup>st</sup>, a net income from all sources, of not more than \$13,400.00 if single and \$20,400.00 if married, own net assets not in excess of \$35,000.00 excluding the value of the persons actual residence and land up to 2 acres or the minimum single family residential lot specified in the zoning ordinance. The Selectmen recommend this article.

The article was read, motioned, and seconded. Sally Small spoke to the article. The town had been approached by a disabled resident, and since we have this in place for the elderly and the blind, it would be fair to include the disabled.

There being no further discussion, the article was called to a vote. Article 24 passed unanimously by voice vote.

**ARTICLE 25:** To see if the town will vote to modify the veteran's credit from \$700.00 to \$1,400.00 for service connected total and permanent disability as provided in RSA 72:35-Iva. The Selectmen recommend this article.

The article was read, motioned, and seconded. Sally Small spoke to the article. The town was approached by a resident to make this change. We have had the \$700.00 credit for years.

There being no further discussion, the article was called to a vote. Article 25 passed unanimously by voice vote.

**ARTICLE 26:** To see if the town will vote to take over the yearly maintenance of Powder Hill Road and Point of View Road. (By Petition.)

The article was read, motioned, and seconded. A move to amend Article 26 was motioned by Ron Taksar to add, "when roads meet town specifications and safety concerns are addressed". The amendment was seconded and passed by voice vote. Ron Taksar spoke to the article addressing the safety concerns. Jim Powers spoke to the amendment reading a letter from Perry Goodell, Town Engineer, stating the road is safe and built to the town specifications. A motion to add, "as determined by the town engineer" to the amendment was made and seconded. The motion was brought to voice vote and did not pass.

After much discussion the article as originally amended was brought to voice vote. Article 26 did not pass.

**ARTICLE 27: WHEREAS** the Bill of Rights of the United States Constitution and the Constitution of New Hampshire guarantee freedom of speech, assembly, and privacy; the rights to counsel and due process in judicial proceedings; and protection from unreasonable searches and seizures;

**WHEREAS** the people of the Town of Franconia support all lawful and Constitutional efforts to prevent and investigate terrorist or other criminal acts and prosecute their perpetrators;

**WHEREAS** the people of the Town of Franconia believe that sufficient Constitutionally acceptable tools existed or Law Enforcement to combat terrorism prior to the passage of the USA PATRIOT Act and the Intelligence Authorization Act for Fiscal Year 2004 (IAA);

**WHEREAS** the people of the Town of Franconia join communities across the nation in their concern that the PATRIOT Act and the IAA threaten our civil rights and liberties by:

- Greatly expanding the government's ability to conduct secret searches;

- All but eliminating judicial oversight when conducting telephone and Internet surveillance or acquiring financial records;
- Eliminating Congressional oversight of the FBI's use of "National Security Letters";
- Allowing indefinite detention of individuals without charges or representation;
- Giving law enforcement officials broad access to sensitive medical, mental health, library, business, financial, educational, and other records about individuals without first showing evidence of a crime and without a court order.

**THEREFORE**, we the citizens of Franconia, New Hampshire, acting in the spirit and history of our State and our community, do hereby request that:

- Local, state and federal law enforcement acting within the Town of Franconia continue to preserve our Constitutionally guaranteed freedoms when acting under the powers of the PATRIOT Act or IAA;
- New Hampshire's Congressional delegation actively work for the repeal of those portions of the PATRIOT Act and the IAA that violate the rights and liberties guaranteed by the United States and New Hampshire Constitutions.  
(By Petition.)

Article 27 was read, moved, and seconded. Leah Carey spoke to the article. After some discussion there was a motion and a second to table this article. Article 27 was tabled by voice vote.

**ARTICLE 28:** To hear the reports of agents, auditors, and committees, or other officers heretofore chosen and pass any vote relative thereto.

Article 28 was read, moved, and seconded. There were no reports presented.

**ARTICLE 29:** To transact any other business that my legally come before the meeting.

The article was read, moved and seconded.

There being no further business to transact, there was a motion and a second to adjourn the meeting. The meeting was adjourned at 11:33 p.m.

Respectfully Submitted,  
Patricia Clark  
Town Clerk

## FRANCONIA POLICE DEPARTMENT

I would like to thank the officers of the department for all of their hard work during 2004. They are very dedicated to serving the community and don't always receive the thanks that they deserve.

The Franconia Police Department continues to try to improve the service we provide for the community. In 2004, we were able to apply for and receive 2 Automated Electronic Defibrillators, one for each cruiser. This was at no cost to the town. This will allow us to respond to potential heart attacks and provide assistance until the Emergency Medical Services arrive on scene.

We are still trying to get funding for the building expansion and will propose it again at this year's town meeting. As most of you are aware, we are in desperate need for more office space. Our current space is grossly inadequate for the safety of the officers that serve you. There have been many public hearings and those of you who have come to visit with us at the station have asked many good questions and have learned more about what we do. I would like to thank those of you who have stopped by and expressed your support for this important project and I hope I will have more support by Town Meeting.

I continue to see the new houses being built in Town. Franconia has changed in the 16 years that I have been with the department. We continue to be a tourist based community and not only serve the townspeople but those that visit the area also. This unfortunately puts the burden on the taxpayers to provide services for the tourists. We are sworn to protect and serve all that are within the town at any given time.

Here is a partial listing of the activity of the Police Department in 2004.

## FRANCONIA HIGHWAY DEPARTMENT

I would like to take this opportunity to write to you again.

The Highway Department this year accomplished a number of projects. This would include the paving of Mittersill Resort, reclamation and paving of  $\frac{1}{2}$  of the Wells Road, and the rebuilding and paving of 1800 ft of Old County Road. We also as a town came into compliance with 911 by installing all new street signs and post for the entire town. Work has also started and is an on going process at the highway garage itself. We installed a 600-gallon tank for run off and we got rid of the gas pump. We had electrical work done, and did all around clean up and general maintenance of the area. We are also now working with other towns to accomplish community needs. This has been a great asset.

Our goals for the up coming year are to keep our paving projects on going. The main concentration will be on the much needed ditching of the roads and replacement of culverts. We would like to thank the townspeople for their support. Again, if you have any questions, comments, or concerns please contact us.

Respectfully Submitted,  
 Scott Knowlton, Road Agent  
 Franconia Highway Department

*The Town would like to acknowledge the passing of Bill Lovett on December 10, 2004.  
 Bill worked in the Highway Department from 1977 to 1986.*

## FRANCONIA FIRE DEPARTMENT

In 2004, the citizens of Franconia saved at least one life. Businesses and individuals donated items for a raffle to raise funds for the purchase of a Hurst Tool. The total cost of the "Jaws of Life" was approximately \$18,000.00. Public funding from the town and a state grant covered about a third of this amount. The rest was raised by the raffle and other private donations.

We took delivery of the tool and soon were summoned to an automobile mishap. Our crew used the new tool to extricate an accident victim who would have certainly perished if we did not have this vital equipment. It's great to know that, when a call comes, we will be prepared. It's great to know that your voluntary donations made it possible.

Your fire department logged a record number of 119 calls for the year 2004. This compares to 105 calls for the year 2003, 118 calls for 2002 and 106 calls for 2001. Emergency response consumed more than 1,300 man-hours in 2004 – another record – an increase of 100 man-hours from 2003, and an increase of 200 hours from 2002.

The department roster averaged 21 members in 2004. We need more. We welcome new members, young and old. It was our privilege, in 2004, to recognize our most senior member, Captain Don Eastman, for his more than 45 years of service on the department. Don turned 80 in October 2004. He serves as department treasurer and remains one of our most active responders. It's a privilege to serve with citizens of Don's caliber. Give us a call, and discover why people like Don continue to serve.

Franconia had one structure fire in 2004: a residence on Route 116. There were no injuries, and the department performed professionally. We thank the police department and Life Squad for their cooperation in this and other incidents. We also owe recognition to the support we receive from neighboring departments through the Twin State Mutual Aid System.

	2003	2004
Motor Vehicle Calls	47	54
Alarm Activation	22	18
Mutual Aid Calls	28	14

Miscellaneous calls involved trees on wires, smoke investigations, brush fires, etc. Seven of the motor vehicle calls involved moose collisions. Two involved deer and one involved a bear.

Franconia's safety services have become part of the national effort in the war on terror. Washington and Concord continue to warn us of new hazards and contingencies, and we try to keep our training and equipment consistent with these advisories.

The FFD recognize the sacrifice of our friends, relatives and neighbors who are serving in the nation's defense by selling magnetic ribbons. This raised almost \$2,000.00, which allowed us to send packages overseas and cash to the support group for our local National Guard Battery. We, as a department, want every person serving our country to understand how deeply we appreciate their sacrifice.

As chief, I am obligated to emphasize that prevention is the most important job of any fire department. In 2004, with our property inspection program, we continued to help citizens to understand fire codes and bring their properties in conformance. We thank Franconia citizens for checking their smoke alarms and cleaning their chimneys.

Finally, being a firefighter is not easy, but Franconia firefighters enter 2005 knowing that our fellow citizens have generously provided us the tools we need to save lives. Again, we salute you.

Respectfully submitted,  
Roger Odell, Chief

## FRANCONIA LIFE SQUAD

The Franconia Life Squad responded to 151 calls in 2004, EMS personnel responded to 107 calls in Franconia, 25 calls in Sugar Hill, 14 calls in Easton, 4 calls in Bethlehem, and 1 call in Lincoln.

We welcomed three new EMT's in 2004 bringing our current membership to fourteen. We have four members who certified as Water Rescue Technicians, Two members who certified as Swift Water Technicians, Three members that certified as Ice/Rescue Technicians, and we have two members who are certified Open Water Divers.

We would like to thank the residents and the towns of Franconia, Sugar Hill, and Easton for there continued support!

Respectfully submitted,  
Dean Wright,  
Chief, Franconia Life Squad

# REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Permits are required year round in Franconia. Contact the Fire Warden, Deputies, or the Fire Chief. No permit will be issued without an on site inspection.

In 2004, 143 permits were issued. No permitted fires ever became out of control.

Thank you for your cooperation,  
George Whitcomb  
Forest Fire Warden

## TRI-TOWN TRANSFER STATION

One of the happier situations for a transfer station to be in is for garbage to be down and recycling up. Such was the case in 2004. Garbage wasn't actually down but instead of the normal 5 percent increase, the increase for 2004 was 7 tons, slightly more than one percent. Additionally, due to a drop in our tipping fee, trash disposal cost \$39,009 – down \$2,858 from 2003. Construction and demolition debris saw a huge 41% increase but we were able to offset this added cost with the fees collected for these items.

Recycling rebounded nicely, pushing our recycling rate back over 40%. Markets for all recyclables remained strong throughout the year. In March we began sorting out deposit bottles and had received over \$26,000, an \$11,000 increase over 2003.

We recycled:

- 209 - Tons of paper products
- 9 - Tons of plastic
- 6 - Tons of aluminum cans
- 54 - Tons of scrap metal
- 95 - Tons of glass

The 2005 household hazardous waste collection will be held on Saturday, June 18<sup>th</sup>, 2005 at the Littleton Fire Station. Please contact us at the transfer station for more information.

Respectfully Submitted,

Joan Marshall  
Transfer Station Manager

## ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment, upon application, reviews and decides on alleged errors in administrative finding, and grants variances to the Town's Zoning Ordinance to provide relief from hardship. The Board also has the authority to grant an exception for use in keeping with certain provisions of the Ordinance.

In 2004, the ZBA (i) granted a setback variance to Richard and Martha McLeod, according to Article 3, Section 2 of the Ordinance, for the purpose of adding a porch onto their house, (M21/L17); and (ii) revised the ZBA by-laws.

The Board was notified that their 2003 decision to approve a request for a Special Exception to Ken King III and 383 Main Street, LLC (see ZBA Report, 2003 Franconia Town Report, page 49) was appealed by Sam and Carol Ronci to the State Supreme Court.

Respectfully submitted,  
George Roorbach, Chairman

## PLANNING BOARD

### New Developments in 2004

**Subdivisions** – The following subdivisions were approved:

- Kenneth McCord, 2-Lot minor subdivision, Iron Foundry Road
- Kenneth McCord, 3-Lot minor subdivision, Iron Foundry Road
- Joel McKenzie, 4-Lot major subdivision, Wells Road
- Thaddeus & Joselle Presby, 2-Lot minor subdivision, Route 18
- Ugo Enterprises, Inc., 12-Lot major subdivision, Butterhill Road
- Stony Hill Realty Trust, 2-Lot minor subdivision, Route 18
- Jeffrey Elliott, 8-Lot major subdivision, Easton Road
- Forest Hills Associates, 2-Lot major subdivision, Route 142

**Lot-Line Adjustments** – The following lot-line adjustment was approved:

- Kenneth McCord, Iron Foundry Road
- Joel McKenzie, Wells Road
- Carolyn & Raymond Holland and Janice Rupert & James Allan, Lafayette Road

The Planning Board had a very busy year in addition to the subdivision applications and lot line adjustments. The Board sent out a public survey in preparation for updating the Town's Master Plan. We received 627 surveys or over 50% of the total surveys mailed. The responses have been compiled and we are beginning the process of reviewing the information. The Planning Board would like to thank everyone who participated in the survey.

The Planning Board also oversaw the development of the Capital Improvements Program Committee (CIPC). The CIPC is an ongoing addition to the planning process for the town. Several community members served on the Committee including Jim Hamblin (Chairman), Mary Fowler, Leah Carey, Ken Ford, Rick Gaudette, and Carl Belz. The Committee accomplished a great deal of work in a very short period of time. They are to be commended for their efforts.

The Planning Board and CIPC are always interested in hearing input from members of the community. Please do not hesitate to contact any of us with your thoughts about our town.

Respectfully submitted,  
Steve Plant, Chairman

## FRANCONIA & MITTERSILL WATER DEPARTMENTS

The Water Department has reached the end of the year within budget. The weather has been favorable with an abundance of rain and, for the first time in several years, there has been no water restriction at Mittersill.

A well was refracted at Mittersill last year to try to increase its yield. Testing will be done on this well in the spring of 2005 and hopefully there will be a positive result. There was one substantial capital improvement project in Franconia on Profile Road near Fransted Campground. This work should help to eliminate problems in the future. There were only a few leaks, which have been quickly fixed and all main lines are holding.

Our new computer program has been in use for a year now with a few glitches, which are being addressed. We thank Patty Clark, our new Tax Collector, for taking on this added responsibility and working through the problems with us.

The Clean Water Act continues to drive up our expenses. There is a lot of required testing which needs to be done, but it does insure that our drinking water is safe to drink.

A plan for the installation of water meters is being discussed. There have been several meetings to discuss what equipment is needed, how funding will be set up. There will be scheduling public meetings to inform the town's people about this project, and to address any questions. Hopefully, this will lead to the installation of meters throughout the system in a few years.

We thank you for your continued support!

Water Commissioners,

Richard McLachlin  
Bill Downey,  
Marcia Graham

## **CONSERVATION COMMISSION**

The following projects were completed by the Franconia Conservation Commission during 2004:

- With help from volunteers, cleaned out stream between Main Street and Route 93
- Planted trees at a Splude's Place boundary
- Replanted Triangle at intersection of Routes 18 and 116
- Replanted a section of Triangle at entrance to Lafayette School
- Had a section of boundary at Fox Hill Park Surveyed
- At Fox Hill Park, with permission of SPNHF created a view to Cannon Mt. called Ian's View.
- At Fox Hill Park continued work on new trail near newly surveyed boundary
- Cleaned up blow-downs at Gale River Bend Trail

Donations from the White Mountain Garden Club used for beautification of Franconia.

## RECREATION PROGRAM

The Tri-Town Recreation Program has had another incredibly busy year! A huge thank you goes out to all the volunteer coaches, officials parent helpers and youth players for making our recreation program such a success for everyone in Franconia, Sugar Hill and Easton.

Our 2003-2004 basketball season went extremely well, 3<sup>rd</sup> & 4<sup>th</sup> grade boys team dominated area basketball teams, later combining with Bethlehem to create a powerhouse team that went on to many tournaments. The girls team got together occasionally to play lacked enough players for a full team. 5<sup>th</sup> & 6<sup>th</sup> grade teams played several games. The girls team combined with Bethlehem from the beginning and enjoyed getting to know other girls they would see soon at Profile. The 5<sup>th</sup> & 6<sup>th</sup> grade boys team enjoyed playing, a little short on players for the weekends due to FSC skiing, everyone gave 110% every time.

Our youth baseball/softball teams were successful for another season. A t-ball team, two farm league teams, a minor league baseball, a major league baseball and a major league softball completed our roster. Many of our coaches continued to coach and many players continued to play this summer as part of our All Star teams. Many thanks to the coaches and umpires who made this a successful season for everyone involved.

Summer Recreation went for a full 8 weeks this summer at the Lafayette Regional School with many returning staff and even more returning campers. We met several new students this summer that had the chance too meet kids in their own grade even before school started! Field trips to Santa's Village, Storyland, Whale's Tale, indoor roller-skating, Polar Caves and Canobie Lake Park made for some exciting Friday field trips. Swim lessons continued under the capable direction of Jean Serino at the Gale River Motel for the summer campers pre-school through third grade. Water Safety instructions were on the Tuesdays we were able to be at Echo Lake for the day. Themed weeks and all camp activities kept everyone busy all summer.

Jean Serino also has taught swim lessons in the fall at the Franconia Village Hotel and in the spring at Stonybrook Motel and Lodge for students at Lafayette Regional School. Thank you to both of those businesses for allowing us the use of your pools and we hope we can continue to work together.

Soccer season brought almost the whole school population out to the field for practices and games. The younger teams were able to use a smaller field and goals at the school where the older teams were out on the Dow Field almost daily. A big thank you to the referee's, coaches and parent volunteers who made sure everyone had a good time this fall.

The Recreation Committee, with the Town of Franconia's approval, has submitted an application to the State of New Hampshire's Land and Water Conservation Fund program for grant monies to not only level the far end of the Dow Strip for additional playing fields, but to replace the current playground equipment and improve landscaping on the Dow Strip.

This winter we will have all the lights back on at the ice rink and hope to see many of you out there with you skates on and ready for a good time. We are looking to bring back "Family Night" at the ice rink in hopes of getting more families out on the ice together. We hope you'll join us for music, hot chocolate, hot dogs, skating and lots of fun!

The Tri-Town Recreation Committee meets the first Thursday of every month at the Franconia Village House Restaurant at 6:00 p.m. We welcome the public to attend and look forward to another exciting year!

Respectfully Submitted, Kris Germain, Recreation Director & The Tri-Town Recreation Committee

## FRANCONIA NOTCH CHAMBER OF COMMERCE

The Franconia Notch Chamber of Commerce wishes to thank the three towns for their continued support (Franconia, Sugar Hill & Easton).

We printed an expanded 12 page full color brochure that we send out to all our inquiries that show the beauty and uniqueness of the area along with a listing of chamber members. Our web page is being constantly updated to make it as fresh as possible. The number of hits kept increasing over the last year. You can check out our website at [www.franconianotch.org](http://www.franconianotch.org). During the 2004 season we have continued to staff the Franconia information booth from May to October. We have assisted many visitors with information, directions, area reservations and many other services. We continue to respond to man phone and mail inquiries for area information services and referrals.

We organize and conduct the following events and festivals:

The Annual Frostbite Follies Winter Carnival  
The 17<sup>th</sup> Annual Old Men of the Mountain Rugby Festival  
The 11<sup>th</sup> Annual Fields of Lupine Festival  
The Fall Antique Show

The events highlight our beautiful area. They have attracted more visitors to our towns and subsequently provided jobs, economic growth and tax revenue to our communities. We welcome inputs and ideas. We hope to involve more businesses that aren't just hospitality related. The monthly meeting is held the second of Tuesdays of every month at 10:00 a.m. at area businesses. Please join us in helping improve our area's Chamber of Commerce.

Sincerely,  
Franconia Notch Chamber of Commerce

The Chamber operates on a cash basis and not all events have been booked as of year end. Other than funds received from dues and town funds the remainder of the income is from members to support the chamber's other activities as outlined above.

## THE FROST PLACE

The Frost Place 2004 season went very well. The summer programs had a record number of participants from across the country, and the poetry readings each evening were attended by over 80 people. Despite a state-wide down-turn in tourist traffic this autumn, The Frost Place did reasonably well.

A participant in this summer's Festival of Poetry quoted in his college newspaper, the 2004 resident poet Major Jackson:

Poets are in the business of life and creation, memory and celebration, tenderness and reconciliation.

The participant (a faculty member at his college) went to say: "Poets are also in the business of challenging, provoking, and disturbing us to think, feel, and imagine what we couldn't without them, sometimes critically, sometimes sympathetically". Robert Frost would wonderfully concur with both of these Frost Place poets.

This coming summer in 2005 will be the 29<sup>th</sup> season. The resident poet will be award-winning Ms. Laura Kasischke, from University of Michigan in Ann Arbor. She is thrilled and honored to be the resident poet. She will be joined by a prestigious faculty to teach at the 27<sup>th</sup> Festival of Poetry, including Frost Place Chairman, poet and novelist, Sydney Lea, Pulitzer Prize winning poet, Carl Dennis, and poet Sarah Gorham, founder of the Sarabande Press, and whose husband, poet Jeffrey Skinner, was the 1997 resident poet at The Frost Place.

Also, on Sunday, July 10<sup>th</sup> at 3:00 p.m., the North Country Chamber Players will give a concert at The Frost Place as part of the 27<sup>th</sup> Robert Frost Day in New Hampshire.

Finally, the positive economic impact of The Frost Place upon the Franconia and surrounding community continues to grow. In 2004, The Frost Place drew nearly \$300,000.00 into the local area.

Respectfully submitted,

Donald Sheehan  
Executive Director

## FRANCONIA HERITAGE MUSEUM AND IRON FURNACE INTERPRETIVE CENTER

The year 2004 was a year of reflection and evaluation. Under the guidance of Peter Lipson we are finalizing a "Strategic Plan" to lead us into the future. We now have a better understanding of our ongoing responsibilities to the community, our short term as well as long term goals. In order to help us to fulfill our responsibilities and achieve our goals we have added two new members to our Board of Directors.

The Museum collection continues to grow due to the generosity of twenty nine individual donors. Among the significant gifts in 2004 were a collection of nine pictographs of the White Mountains from Charles Nessler, a 45 star American Flag from Winifred Foss, . B. Parker's general store day book from Ray Martin, Philip Robertson's Franconia College collection, an envelope postmarked from the Profile House in 1857, a portrait of Lydia Brooks and other Brooks artifacts by Cynthia Walker, an 1838 letter from Stow Academy certifying Horace Brooks Qualification as a teacher.

The Franconia Area Heritage Council purchased an oil painting executed in 1894 by W. Staples Drown. The painting depicts the town's industrial area along the Gale River as it was in the early 1800's. \$1,200.00 of the total cost of \$2,500.00 was provided by local donors.

Spring and Fall work days accomplish many chores that are needed to preserve and improve upon our infrastructure. It is our intention, in the coming year to carry out more of the recommendations made last year by preservation architect Randy Mudge. In an effort to maintain the view of the Stone Stack volunteers cleared brush from the site and removed vegetation from the stack itself. It remains our goal is to see the Stone Stack become town property.

Last year we sponsored a snow man making contest for children in conjunction with Frostbite Follies. We held a garden party. Our plant sale was a new effort this year. It will become an annual event. We published our newsletters on schedule. We participated in the "Old Home Day" parade.

The Museum was open on Thursday and Saturday afternoons year round. Additionally, we are open on those two mornings during the summer. Our 2004 exhibit "Franconia History by Decades" will remain through 2005. By the end of the year membership stood at 113. We received 433 visitors to the Museum, and 392 visitors to the Interpretive Center in 2004.

A \$3,500.00 State grant paid for the professional preservation of Old Man documents in our collection.

Plymouth State University graduate student Terri Drew will begin an internship with us starting in March 2005. Two students of White Mountain School fulfilled their community service requirement by each contributing sixteen hours to the Museum.

Respectfully Submitted,  
Ernest Hansberger, President  
Franconia Area Heritage Council
